ALAMO COLLEGES

NORTHWEST VISTA COLLEGE

National Science Foundation
Math Intensive Majors (MIM) Scholarship Project
Fall 2014 Application

Are you majoring in a STEM area?
STEM =Science, Technology, Engineering or Mathematics

If you plan on enrolling in a MIM course (Pre-calculus, Calculus I, or Calculus II), and meet the program eligibility requirements, you may be eligible for a scholarship of up to $3,466 per semester.

Eligibility Requirements:

- Enrolled full-time at Northwest Vista College during the semester of scholarship award
- 3.0 GPA in mathematics and overall GPA (high school/college)
- Demonstrate financial need
- Majoring in math, science, engineering or technology
- Enrolled in one MIM course per semester (Pre-calculus, Calculus I-Calculus III)
- Have not previously earned a bachelor's degree
- U.S. citizen or permanent resident status

Students wishing to be considered for the MIM Scholarship Project must submit the following documentation:

- MIM Scholarship Project Application
- Interview by a MIM Faculty (After you turn in the application)
- Student Aid Report (generated from FAFSA – www.fafsa.ed.gov)
- Financial Aid Award Letter
- Copy of High School or College Transcript (may be unofficial)
- 2 Letters of Recommendations (Two recent recommendations, preferably from teachers, employers or counselors).
