TIER ROBOT ALGEBRA INSTITUTE
APPLICATION

GOALS:

While the SpaceTEAMS Robotics summer camp is the core program offering, the Robot Algebra Institute is an essential underpinning for long-term impact on the effectiveness of education in our schools. The Institute consists of two weeks of collaborative work by a small cohort with the assistance of a robotics subject matter expert. Robot Algebra is designed to affect a paradigm shift in teaching methodology and will use the Lego NXT robotics kit and the RobotC programming environment to help teachers implement this new methodology.

Date & Location:

The TIER Robot Algebra Institute will be held at Northwest Vista College, June 15th – June 26th 9am-3pm. Boardwalk room 152.

Qualifications:

Minimum qualifications: Secondary Mathematics Certification assigned to teach Algebra I to students age 14 and up for the 2009-2010 school year.

APPLICATION:

Completed applications must be submitted to the TIER office by Friday, May 15th. They may be submitted by fax (210) 486-4420, email attachment, or mail. Applications received after that date will only be considered on a space available basis. If selected for an interview, you will be notified by phone and /or e-mail.
Teachers will be paid a stipend for fulfilling the program's consultant agreement.
