

2019 DISTINGUISHED GRADUATE

Aaron Frizzell

Music Business

“Twenty years from now you will be more disappointed by the things you didn’t do then by the things you did”

-Mark Twain

Aaron Frizzell was born and raised in San Antonio. He attended Central Catholic High School and graduated from Holmes High School. After high school, Aaron pursued his dreams and started his music career. After finding success in music and touring, he put his sights on a different aspect of entertainment, the behind-the-scenes work. Aaron has been an audio-visual tech for eight years and has found success in this field. He started attending SAC in 2017 to expand his knowledge of the audio-visual field and he has enjoyed every minute of the music business program. He is proud to be considered a Distinguished Graduate when he receives his associate degree from San Antonio College. He now looks forward to completing his bachelor’s at UTSA. He looks forward to whatever else the future holds for him.
