Devon Hughes-Munden

INFORMATION ASSURANCE & CYBERSECURITY

“Perseverance is not a long race; it is many short races one after the other.”

– Walter Elliot

Devon Hughes-Munden was born in Kennewick, Washington and raised in both Washington and Wolf Point, Montana. After graduation from Wolf Point High School in 2014, he worked for over five years with the Roosevelt County Sheriff’s Office as a deputy sheriff. In search of a career transition, Devon moved to San Antonio and attended San Antonio College’s Cyber Workforce Development Program with the goal of achieving an A.A.S in Information Assurance and Cybersecurity.

While attending San Antonio College, Devon regularly attended SAC Cyber Club and competed in cybersecurity competitions with fellow students. During his time attending, SAC Cyber Club qualified twice for Southwest Collegiate Regional Cyber Defense Competition and finished multiple times in the top ten percent of the nation in National Cyber League.

Devon was granted the National Science Foundation SFS CyberCorps scholarship and will complete his A.A.S in Information Assurance and Cybersecurity before transferring to the University of Cincinnati to complete his B.S and M.S in Cybersecurity and IT.

Devon is married to a wonderful wife, whom he met while attending San Antonio College. Together, they have a lovely dog named Teak.
