2013 Distinguished Graduate

Nicholas Herrera Physics

"The true value of a human being is determined primarily by the measure and the sense in which he has attained liberation from the self."

-Albert Einstein

Biography

Nicholas Herrera is majoring in Physics at San Antonio College. He was the founding president of SPS (Society of Physics Students). He is currently the vice president of SPS.

Nicholas has also been in the student leadership institute, SACNAS (Society for the advancement of Chicanos and Native Americans in Science). He has been involved in volunteer events at SAHS and Morgan's Wonderland.
