## Biography

Sheila Lopez-Garcia is the distinguished graduate for Marketing.

She is an international student from Mexico, born in a beautiful city called Campeche that she loves and misses. Sheila came to the U.S. to get a better education that will allow for better opportunities professionally. She came alone but found a wonderful host family in the U.S. The Lipsky family is like a second family to Sheila. She is also grateful that she has found friends that help and encourage her to achieve her goals.

Sheila is unsure about her plans after graduation, but her biggest plan is to get a job (here or in Mexico) where she can apply what she learned at SAC.
