

Progress Report

In order to be eligible for registration for the next semester you must have a progress report on file by the deadline listed below. Without an updated progress report on file by this deadline, you must wait until final grades are posted to register for the next semester.

Instructions: Please have each of your instructors complete this form. You can either use one form for all classes, or have each instructor complete a separate form. Once you have obtained information from all classes you are currently registered for, please return the form(s) to the Counseling and Advising Center on the first floor of the Moody Learning Center (MLC). If your classes are online please attach a copy of the email from the instructor indicating the required information.

IMPORTANT: If your semester GPA is below 2.0 when final grades post you may be dropped from any future classes you have registered for, and may be placed on Academic Dismissal.
