

2014 Distinguished Graduate

Jesse Guillen Kinesiology

"A college degree is not a sign that one is a finished product but at indication a person is prepared for life."

—Reverend Edward A. Malloy

Biography

Jesse Guillen has been a student at San Antonio College for eight years and has changed his major three times. In spring 2013 he completed the required courses and received an Associate's degree in Business Administration. After completing his business degree, he decided to stay at SAC and follow a degree in something that he was more passionate about.

Jesse currently is majoring in Kinesiology. He has been active in the Kinesiology Club and has served as Vice President in fall 2013 and President in spring 2014. In the fall, he helped keep track of hours and kept members up to date on the club account on Org Sync.

Jesse plans to attend Texas A&M San Antonio to get a Bachelor's degree in Physical Education (E-12) and then work on getting a master's degree so he can one day be able to come back to work in the Kinesiology Department at San Antonio College.
