Entering program as a

• Will be authorized to retrieve, request, and share the student's high school records (to include a copy of the parent residency cards if necessary), transcripts, test scores and grades to determine eligibility. Information will be shared from high school to college and/or college to high school via email, fax or an electronic file.

(Student's Name)

- Will comply with the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99). All information provided to Alamo Colleges relating to education records will be confidential and Alamo Colleges will not disclose, communicate or divulge, or permit disclosure, communication or divulgence, to another or use for their own benefit or the benefit of another, any confidential information, unless required by FERPA or the laws of the State of Texas.
- Will not permit the student to participate in the Dual Credit program if he/she fails to: Submit an accurate online application through Apply Texas by the announced deadline, submit all required documents to the appropriate person by the announced deadline(s), verify enrollment into the correct dual credit courses, and maintain satisfactory academic progress.
- Will provide Accuplacer test score results to the high school dual credit liaison to complete the student's file.
- Will use the provided email address(es) to send information about the dual credit program.

I understand that:

- This form is valid for the duration of the student's participation in the Dual Credit Program.
- Submitting this consent form and/or high school course card does not guarantee eligibility into the program or selected
 courses. Eligibility into the Dual Credit program and courses is dependent on a complete application packet submitted by
 the deadline and qualifying test scores for each course selected and is determined by the servicing college and high school.
- Courses will be more academically challenging than traditional high school courses.
- Courses held on either the college campus or the high school campus may contain a mix of both high school and traditional college students. Therefore, the subject matter of the course may be more complex and mature in nature and the expectation is that the student's behavior and performance will be equivalent to that of a college student.
- I agree that my child may be enrolled in dual credit courses approved by the high school.

- Grades earned in dual credit become part of the permanent academic record and will be reflected on the college transcript.
- My child will not be allowed to continue in the Dual Credit program if he/she earns a grade of D or F in a Dual Credit class.
- My child must maintain a cumulative college GPA of 2.0 and remain in good standing at the high school to continue in Dual Credit.
- If a student plagiarizes a paper, or colludes or cheats in any dual credit class, the student will be subject to the disciplinary policies of the college. In some instances, severe cases may result in failure of the course.
- Students must attend their Dual Credit class regularly and turn in all required assignments. Students may be withdrawn for lack of attendance and/or lack of progress. This attendance policy pertains to all students enrolled in any section of a dual credit course on any campus with the exception of homebound students. If for any reason my child is not attending the Dual Credit class at the high school regularly, he/she will be withdrawn from the class (includes students sent to alternative school and homebound students.
- Courses are generally transferable however; it is not the college's responsibility to ensure that the dual credit course(s) for which the student enrolls are transferable to the college/university the student plans to attend.
- If my child earns thirty or more college credits he/she may be considered a sophomore at some universities and this could affect scholarships and other financial opportunities. It is my responsibility to check with the receiving institution to determine how dual credit hours are handled.
- The Texas Administrative Code allows the Dual Credit program for high school juniors and seniors. Exceptions may be made for Sophomores if the high school validates the ninth grader's proven progress in prior academics and a high degree of self-management, self-awareness and intention to assume responsibility for his/her own learning. Sophomore students are limited to one course each semester from the approved list of courses for sophomore students as determined by the college and high school.
- I can request that my son/daughter take a third Dual Credit course if he/she has successfully completed a year of the Dual Credit program, has a cumulative GPA of at least a 3.0, and has not withdrawn or received a grade of C or lower in any Dual Credit course. The student will be responsible for the tuition and fees of the course even if the student chooses to drop the course after the first day of class. See the Dual Credit website for more detailed information on taking a third Dual Credit course.

* Home and Private Schooled Students:

I understand that:

- Once I have been accepted into the program, I must select courses from the Approved Dual Credit Course Listing to have the two courses (up to 8 hours) of college tuition waived.
- Should I choose to step out of the Approved Dual Credit Course Listing, I will no longer be considered a Dual Credit student, my admission status will change to Early Admissions, and I will be responsible for the tuition and fees of each course I am scheduled to take.
- o All updates will be communicated through your Alamo Colleges email address once the ApplyTexas application is entered. Check ACES to access your email account.
