The Title IV Consolidation Appropriation Act of 2012 limits the amount of Federal Pell Grant eligibility to six (6) years of full time enrollment for all recipients. The new law applies to all current and future Federal Pell Grant funds awarded and any used prior to 2012.

In order to make sure educational goals are achieved within the six (6) year timeframe, recipients should follow a degree plan and periodically meet with an Academic Advisor or Counselor to discuss graduation or transfer plans. Once notified by the Department of Education and/or Student Financial Services, recipients who exceed the six (6) year timeframe cannot receive a Federal Pell Grant for any future coursework.
