Transfer Admissions

A transfer student is any student who has completed previous college work at a regionally accredited college or university and plans to attend the Alamo Colleges. A transfer fee is required of students transferring into the Alamo Colleges.

- Comply with Texas Success Initiative (TSI) requirements
  - Meet the placement requirements with official documentation of Texas Success initiative (TSI) exemption or compliance (test scores or official college transcript) or take mandatory placement tests. Exception: Students enrolling in Level One Certificate programs that do not identify skill levels are not required to test.

- Apply for admission
  - Complete and submit the admission application through ApplyTexas. An active application is required to move forward with the enrollment process.

- Submit transcripts
  - Transfer students must submit an official transcript from the last college or university attended. To ensure that all transferable credits are awarded, a student must submit all college or university transcripts with all grades posted.
  - Official Community College of the Air Force (CCAF) transcripts fulfill the last college attended admissions requirement.
  - Foreign transcripts must be translated into English by a member of the American Translators Association. Students seeking transfer credit from foreign institutions must submit the official transcript evaluated by a member of the National Association of Credential Evaluation Services (NACES). Please note: Some evaluation services require translation from a specific translation service.

- Provide proof of bacterial meningitis vaccination
  - State law requires that entering students show evidence of receiving a bacterial meningitis vaccination or booster dose during the five (5) year period prior to enrollment. The law allows for some exceptions. Check the Alamo Colleges website for additional information. Information is also available through the Texas Higher Education Coordinating Board (THECB).

- Schedule an advising session. Advising is not required for all transfer students but is strongly recommended. Students entering with less than a 2.0 grade point average (GPA) are required to meet with an advisor.
