

ALAMO COLLEGES FOUNDATION CONGRATULATES THESE HIGH SCHOOL GRADUATES.

They're continuing their education with scholarships to the Alamo Colleges District.

They follow in the footsteps of more than 2,150 students who received \$2 million in scholarships during the past academic year. Join us in congratulating these worthy young scholars — and consider joining the Alamo Colleges Foundation's proud family of donors who make these scholarships and the dream of a college education possible.

Below are our recent scholarship recipients, their high schools and their intended fields of study.
