CAMPUS CRIME ALERT

Alamo Colleges Police Department

In order to keep the college community informed: On Wednesday 11-27-13 the Alamo Colleges Police Department received a report from a female student at San Antonio College who reported that while she was entering her vehicle in Lot # 10 located north of the CE Annex between Dewey and Courtland Streets around 8:30 p.m. an unknown subject attempted to enter her vehicle from the front passenger side but was unsuccessful. Further investigation has determined that the unknown subject was also a student, known to the female student who did not recognize him. It has been determined that there was no threat.

With the Holiday Season upon us the Alamo Colleges Police Department wants to remind our community of the following safety tips:

- Avoid driving alone or at night.
- Keep all car doors locked and windows closed while in or out of your car. Set your alarm or use an anti-theft device.
- If you must shop at night, park in a well-lighted area.
- Avoid parking next to vans, trucks with camper shells, or cars with tinted windows.
- Park as close as you can to your destination and take notice of where you parked.
- Never leave your car unoccupied with the motor running or with children inside.
- Do not leave packages or valuables on the seat of your car. This creates a temptation for thieves. If you must leave something in the car, lock it in the trunk or put it out of sight.
- Be sure to locate your keys prior to going to your car.
- Keep a secure hold on your purse, handbag and parcels. Do not put them down or on top of the car in order to open the door.
- When approaching or leaving your vehicle, be aware of your surroundings.
- Do not approach your car alone if there are suspicious people in the area.
- Ask mall or store security for an escort before leaving your shopping location.
