Paying for Classes using Veterans Education Benefits (VA)

Veterans Administration (VA) education benefit payments are not automatic. It's the students' responsibility to know the VA process for the Chapter of VA benefit they qualify for. Visit <http://www.gibill.va.gov> for more information and to apply for your VA benefits.

All students using Veterans education benefits must be processed through their home college VA office for each term of enrollment. Please see your home college VA website for more information.
