

ALAMO
COLLEGES
DISTRICT

2017 BOND ELECTION

WHY A BOND ELECTION?

So the Alamo Colleges District can prepare to accommodate higher education needs of 1 million new area residents expected by 2035.* Funds will be used to:

- **Renovate or repurpose aging facilities** – over a third are now more than 25 years old.
- **Build new facilities** – for Centers of Excellence, STEM classes, additional facilities to educate for high demand careers and more.
- **Buy land for future expansion** – to increase accessibility for all of our communities.
- **Expand tech infrastructure** – to improve learning and student support.

At current property value assessment levels, the issuance of the bonds will not cause an increase in the District's tax rate for debt service from the present rate.
