TIER Youth Camp Behavior Agreement

It is very important that students and parents/guardians understand the expectations held by Northwest Vista College.

While attending the TIER Youth Camp, students will conduct themselves as “model participants.”

Please, review the following rules with your child:

- No drugs/medications can be administered by Northwest Vista College representatives.
- All prescription medications should be reported to the program coordinator and administered by the parent/guardian; otherwise, no medications or drugs are allowed.
- Show respect for individuals and their property.
- Use “inside voices” when inside the campus buildings.
- Food and drink including gum and candy is allowed only during breaks.
- No weapons are allowed on the Northwest Vista College campus.
- Altering campus property (defacing, damaging, etc.) is also prohibited.
- No disruptive behavior is permitted. Parents/guardians will receive immediate parent notification of their child’s behavior. A second notice will constitute expulsion from the program.
- Please identify special needs (physical disability, learning disability, ADHD, ADD, Emotional disorder, etc.) and notify Melody Crabb, Director of TIER, at 210-486-4430.

Northwest Vista College staff will make every effort to assure that classes and events take place at their scheduled locations and times.

**Participant supervision is NOT available outside the programmed times & locations.**

I have read and fully understand the Summer Camp Robotics Behavioral Agreement. I understand that as a Summer Program parent/guardian and participant, we are required to adhere to these rules and all pertinent rules and guidelines that are deemed necessary by the college administration for the duration of the program and while on the Northwest Vista College campus locations.

I agree to thoroughly discuss these rules with ____________________________________________

(Child’s Full Name)

To ensure understanding and compliance. I understand that non-compliance can constitute immediate dismissal from the program without entitlement to tuition/fees refunds.

Release and Indemnification Agreement Letter

TO THE PARENTS AND GUARDIANS OF THE TIER YOUTH CAMP PARTICIPANTS:

Northwest Vista College, one of the Alamo Colleges, is pleased to be able to provide the children in the community with challenging, creative, safe and fun activities throughout the year. We strive to make their time with us not only enjoyable, but safe.

As parents and guardians of these children, Alamo Colleges feels you should be fully informed of the conditions under which your children are visiting our campuses.

Under the Texas Tort Claims Act, Northwest Vista College is a political subdivision of the State of Texas. Under this Act, Alamo Colleges is not responsible or liable to any person for property damage, personal injury or death. The only exception to the above involves an Alamo Colleges-owned vehicle. Under the Act, the damages Alamo Colleges may be held responsible for are limited for property damage, personal injury or death caused by a District-owned vehicle.

Several of our campuses have Student Health Centers, which will be open only Monday through Friday from 8:00-5:00. However, no treatment, other than in a life threatening event, may be provided without a signed release from the parent or guardian.

The attached Release and Indemnification Agreement is mandatory for your child’s participation in Summer Robotics Program. This Agreement will allow our campus faculty and staff to provide emergency and/or minor medical care for injuries or illnesses, which may occur while your child is participating in our Summer Robotics Program.

Signed Releases must be returned prior to the start of the program to allow your child’s participation. Please be assured that every effort has been made to provide your child with a healthy, safe, “kid friendly” environment in which to enjoy these year round programs. Should you have any questions, please call (210) 486-4421.

Concerning

____________________________________
(Name of Child)

The undersigned representative, on behalf of the child named above (herein after “the child”), who desires to participate in the Summer Robotics Program, and in consideration of being permitted to participate in said activity, voluntarily and knowingly executes this release and indemnity agreement on behalf of the child with the express intention of extinguishing the rights and obligations designated herein. The undersigned representative, on behalf of the child, hereby grants the Campus Nurse(s) of the Alamo Colleges, the permission to provide treatment for emergency and/or minor medical injuries or illnesses, which may arise while the child is participating in a Saturday Robotics activity.

As representative of the child, I hereby elect to and assume all risks for claims hereinafter arising, known or unknown, from the conduct of the Summer Robotics Program and hereby knowingly and voluntarily expressly release the Alamo Colleges, its employees, agents, representatives, officers, directors or others acting on behalf of Alamo Colleges, from all liability for claims arising out of such matters.

With the intention of binding the child and with full authority to do so, I hereby release, discharge and indemnify the Alamo Colleges, its employees, agents, representatives, officers, directors or others acting on behalf of Alamo Colleges, from any and all claims, demands, actions, judgments and executions which the child ever had, or now has, or ever will have, or which the child may claim to have against Alamo Colleges, its employees, agents, representatives, officers, directors or others acting on behalf of Alamo Colleges, in connection with or arising out of, directly or indirectly, any and all matters relating to the Saturday Robotics Program, including any alleged acts of negligence by Alamo Colleges’ employees, agents, representatives, officers, directors or others acting on behalf of Alamo Colleges.

As the duly authorized agent of the child, I have read this release and indemnification and understand all of its terms. This release and indemnification agreement is executed voluntarily and with full knowledge of its contents and significance.

Photo Release Form

I allow the Public Relations office at Northwest Vista College and its photography consultants, contractors, full-time and part-time employees to take photographs of my child _______________________.

(Print child’s name)

Further, I hereby release and otherwise agree to hold Northwest Vista College and its employees harmless from any and all claims arising out of, or resulting from, my child’s appearance in the above production.

I further understand that I have the right to revoke this permission to Northwest Vista College at any time. This will only apply to future marketing, advertising and public relations pieces, not those already in existence. If I choose to revoke these rights, I must do so in writing and the document must include my signature.

These photos will be used for marketing, advertising and public relations purposes and may appear in brochures, newspapers, magazines, buses, movie theaters, other such marketing pieces, or in the photographer’s portfolio. I agree that I will not receive any pay or reimbursement for these photographs.

Dear Parent/Guardian:

Thank you for your interest in the TIER Youth Camps at Northwest Vista College.

TIER’s mission is to provide workshops, competitions, special events and support to educators, schools and community groups participating in youth robotic programs.

Our program provides classes aimed to promote learning in the areas of science, technology, engineering and math using robotics as a tool to motivate students to learn while having fun. They learn by first building simple robots and then progressing to building more complex models.

Students work in groups to design, build and program Lego system robots using laptop computers. Classes are kept small to facilitate the hands-on learning experience and project work. Classes run for 8 hours each day which provides 40 hours of instruction. Classes will get breaks throughout the day and will be able to walk around the campus with supervision.

While participating in our program, students are expected to conduct themselves as model participants.

Should you need to withdraw from the class for any reason, please contact us and we will gladly help you. Refunds are as follows:

**Please keep this page for your records.** All classes are subject to cancellation due to low enrollment.

We hope that you and your child enjoy our class and we look forward to seeing you.

---
