NLC Pathways Project Impacts Thousands of Students

Since Fall 2014, Northeast Lakeview College has enhanced its Pathways Project to bring the college experience to all students (from Pre-K to high school). NLC hosts activities throughout the academic year on its campus and at local schools to impact students from five school districts. Additionally, during 2015-2016, NLC partnered with Schertz-Cibolo-Universal City ISD and worked directly with three of its schools (Rose Garden Elementary, Schertz Elementary and Corbett Junior High) to impact the educational futures of more than 2,500 students. The Pathways Project promotes a seamless transition to college.
