WGU Texas and Alamo Colleges

Innovative, Online, and Surprisingly Affordable
Many working adults want to earn a bachelor’s or master’s degree, and WGU Texas is helping make that possible. WGU Texas is a nonprofit, online university created to make affordable, high-quality education more accessible. Earn a respected, accredited degree in business, IT, nursing, or education on your schedule and for about half what you’d pay at other online universities.

A Better Way to Learn
Spend time studying what you need to learn, not what you already know. With no fixed class times, you can progress through most courses as fast as you demonstrate mastery of the material. You will be rewarded for your hard work and dedication, and you can draw on previous knowledge and experience to potentially accelerate your time to graduation, saving you both time and money.

Alamo Colleges Employee and Transfer Student Benefits
WGU Texas is proud to partner with Alamo Colleges. In recognition of this partnership, WGU Texas awards all Alamo Colleges employees and transfer students the following benefits:
- 5% tuition discount for up to four terms
- Eligibility to apply for the WGU Community College Partner Scholarship valued at up to $2,000

Employers Love WGU Texas Grads
In a 2014 survey of 300 employers Harris Poll found:
- 99% said that WGU graduates meet or exceed expectations
- 96% said that their WGU graduates were prepared for their jobs
- 94% rated WGU graduates’ job performance as good as or better than the job performance of other graduates

What You Can Expect at WGU Texas

Degrees in Less Time, for Less Money
Tuition is charged at a flat rate every six months and covers all coursework attempted during that time. That means there are no added fees if you finish additional courses during a term. If you complete your degree program ahead of schedule you’ll save both time and money.

Federal financial aid and scholarships are available to qualified students.

Regionally Accredited Degree Programs
Through Western Governors University, WGU Texas is regionally accredited by the Northwest Commission on Colleges and Universities, one of the major accrediting commissions recognized by the U.S. Department of Education.

Personalized, One-to-One Faculty Support
WGU Texas students work personally with Faculty Mentors who provide one-to-one coaching, guidance, and support from enrollment through graduation.

Accelerate Your Degree
At WGU Texas, your success is measured by learning, not time spent in class. You’ll earn your degree by demonstrating your skills and knowledge in required subject areas through a series of carefully designed assessments. You won’t be required to spend a lot of time on subjects you’ve already mastered, allowing you to focus on the areas where you need to develop competency.

Our Commitments to You:
- You’ll learn what you need to succeed in your career.
- You’ll enjoy flexibility that fits your schedule.
- You’ll have the opportunity to accelerate your degree program.
- You’ll receive one-to-one faculty support.
- Your program will be affordable.
- You’ll benefit from your degree.
