FAQ's

What is the total cost of the CDL training?
Tuition------$4,500.00
DOT Physical--$95.00
Drug Screen----$55.00
Books--------$60.00
MVR----------$15.00
CDL permit----$11.00
CDL license----$60.00
Exam Fee -----$100.00

Total----------$4,896.00

How do I enroll into the program?

Registration must be done 7-10 days before the first day of class at St. Philip's College, 1801 Martin Luther King Dr. San Antonio, TX 78203 in the Applied Science Building, Bldg.#2, Room 200, Monday-Friday from 8:00am-5:00pm.

After registering, what do I do next?

Upon completing registration, a student must then secure a Motor Vehicle Report, secure the proper medical form for the DOT Physical and Drug screen at the training site of 6802 NE Loop 410.

Where is the MVR, physical and drug screen secured?

The MVR is requested by the training school while the DOT Physical and Drug screen are completed at a local Texas MedClinic.

When I complete the class, will I have my license and all endorsements?

Students successfully attending all classes, drive times and passing the Texas CDL written and road-skills test, will have a Class "A" license with declared endorsements.

Is the Hazmat endorsement included in your tuition fees?

We do prepare our students for the written Hazmat exam, but do not include the fee in our original cost. A student can test for the endorsement once they secure their CDL license and then pay an additional $91.20 for the processing of fingerprinting and a background check.

Do you provide a job upon completion of the program?

We do not guarantee a job, but do provide job placement assistance by having recruiters from major over the road carriers visit with our students, maintain contact with the numerous employers that are looking for recent graduates and by maintaining a current job board listing CDL opportunities locally, regionally, South Texas and nationally. In addition, once a student graduates from the program, they maintain lifetime job placement assistance.
