If you want to go to school to become certified in an allied healthcare career, make this your first lesson. Get ready for the Test of Essential Academic Skills V (TEAS V), an exam that gives students and educators a good idea of a student’s knowledge base in the four basic essential skills of reading, essential math, basic science, and English and language comprehension.
Test of Essential Academic Skills V (TEAS V)

Time limit is 209 minutes. Four-option multiple choice with 170 total questions:

- Reading is 58 minutes with 48 questions
- Mathematics is 51 minutes with 34 questions
- Science is 66 minutes with 54 questions
- English and Language Use is 34 minutes with 34 questions

When used for Allied Health training programs, the TEAS V is normed for Allied Health and may in some places be referenced as the TEAS V for Allied Health or TEAS V - AH.
