Dear Dr. *Adena* Loston:

Please pardon the delay in responding to your letter of May 8, 2009, notifying the Commission of a new high school dual enrollment program to be offered via teleconferencing beginning Summer, 2009. Students will be able to earn more than 50% of the credit toward an LVN before completing high school. Since the College is approved to offer 50% or more of an educational program via distance delivery, I **accept notification and require no additional information.**

Best regards,
