Office of the President

Dr. Belle Wheelan, President,
Commission on Colleges
Southern Association of Colleges and Schools
1866 Southern Lane
Decatur, GA 30033

Dear Dr. Wheelan:

In your letter dated September 14, 2010 regarding St. Philip's College (SPC) plans to close the Drafting program, you requested additional information as to how faculty teaching in the program will be redeployed.

In spring 2011, St. Philip's College Drafting program will be closed and moved to San Antonio College (SAC). At this time, the two faculty members currently teaching in the SPC program will be moved to teach in the program at SAC. The faculty members have been notified of this move. Since faculty members are employees of the Alamo Colleges, there will be no need to re-qualify them to teach at SAC. Once at SAC, these faculty members will be overseen by SAC Administration.

Please let me know if you have any additional questions or concerns regarding this matter.

Sincerely,

Adena Williams Loston, PhD
President
