St. Philip’s College is in the process of identifying a focus area for the 2016 Quality Enhancement Plan. The following topics have been proposed. Please take a moment to complete the QEP Topic Selection Survey. Your input is important in helping the college identify and prioritize a focus area for improvement of student learning outcomes.

Topics: (List here)

1. What is your role at SPC? Check all that apply.
   ___Faculty
   ___Student
   ___Administrator
   ___Staff
   ___Alumni
   ___Other

2. Rate the strength of each topic's connection to St. Philip’s college MISSION and VALUES, in your

   THEME 1: Academic Responsibility: Define according to QEP committee
   ___Strong connection
   ___Good connection
   ___Fair or questionable connection
   ___Little or no connection

   THEME 2: Non-Academic Responsibility: Define according to QEP committee
   ___Strong connection
   ___Good connection
   ___Fair or questionable connection
   ___Little or no connection

   THEME 3: Ethical Responsibility: Define according to QEP committee
   ___Strong connection
   ___Good connection
   ___Fair or questionable connection
   ___Little or no connection

3. Rate each topic's potential to transform the college, to make us a different and better place after implementation.
   ___Extremely Likely
   ___Somewhat Likely
   ___Not Likely
   ___Don’t Know

4. Which of the three potential QEP topics is most clearly focused on student learning (skills, knowledge, behaviors, values)?
   ___Clearly focused on student learning
5. Which of the potential QEP topics would generate the most excitement and support on campus, in your opinion? Rank the following themes in order from 1, most excitement, to 5, the least excitement

   Theme1
   Theme2
   Theme3

6. Evaluate the potential topics in terms of their assessment potential. Can the three potential QEP topics provide meaningful information from assessment that can cause positive changes in student learning?

   ___ Extremely Likely
   ___ Somewhat Likely
   ___ Not Likely
   ___ Don’t Know

7. Considering all of the above criteria, rank your preferences for the Quality Enhancement Plan.
