First Year Experience Center

The First Year Experience Center offers special services and assistance to first year students between 0-30 credit hours. Our purpose is to retain participating students beyond their critical first year of college where the majority of drop outs occur.

Through extensive one-on-one services, advising, and academic support, we help first-year students adjust to college life and acquire the skills needed to become academically successful.

Students with 0-30 credit hours earned are required to visit an FYE Advisor based on last name, (with the exception of SW Campus students and Vocational Nursing Students) to complete advising.

For SW Campus students, you are to visit with an advisor in Bldg. 1-B172 - PH: (210) 486-7281

For Vocational Nursing students, please see Janet Hart - Ph: (210) 486-2662
