Tutoring Services and the Service-Learning Program

For more information, contact Kevin Schantz @ 486-2246.

Assessment Test Preparation (Accuplacer)

These sessions are offered to better prepare future students for the Accuplacer assessment test. This is accomplished through the presentation of test content and suggested test taking techniques. Future students will also take a pre-test sample on each of the three subject areas (math, writing, and reading) in order to help them determine how ready they are to proceed with the Accuplacer.

Accuplacer Boot Camp (Math)

Accuplacer Boot Camp provides in-depth assistance for current or future students as they prepare for the Accuplacer assessment tests. The Academic Boot Camps are conducted over a four day period and consist of 12 hours of instruction and focuses on the math portion of the Accuplacer. Participants will receive a workbook to help them in their preparation for the assessment test.

- Time: 9 am – 1 pm
- Location: 605 Belknap
Summary: The chapter is volunteering at the Respite House, providing lunch to the kids and staff, and celebrating birthdays of the month. All students, family, and friends are welcome to join us.
This packet serves as a guide for our community and business partners to learn more about The Student Leadership Institute - Leadership Program.

BACKGROUND
The Alamo Colleges Student Leadership Institute (SLI), a district-wide student success initiative designed to eliminate barriers and provide educational and leadership opportunities for prospective and current students of the Alamo Colleges, was established in the fall of 2001 to empower today’s students to become tomorrow’s leaders. SLI has recruited and trained over 700 college students to become leaders on campus, in the workplace, and in the community.

Today, SLI provides two distinctive programs that serve both college and high school students. The programs include:
- The Leadership Program (for the college student)
- The Young Leaders Conference (for the high school student)

THE SLI LEADERSHIP PROGRAM
In partnership with faculty from the Alamo Colleges, along with business leaders and community organizations, the SLI Leadership Program inspires students to become proactive, productive, and engaging leaders. Throughout the 9 month program (fall and spring semesters), students participate in the leadership course, leadership labs, and committees that positively impact both campus and community organizations.

The objectives for the SLI Leadership Program include:
- To educate and empower students to pursue leadership development
- To develop a leadership mind set, skill set, and tool set
- To prepare students for a more productive educational and professional career

To be considered for the SLI Leadership Program, applicants must:
- Be enrolled in one of the Alamo Colleges (min. 6 credit hours)
- Earned a grade point average of 2.75 or higher (for high school students above 80)

To apply for the SLI Leadership Program, applicants must submit an application by July 31, 2013. Applications are available online at www.alamo.edu/district/sli and can be submitted to the SLI Office by fax, email, mail, or through the Student Life office at any Alamo College.
