IT and Business

CLEAR Pathway Event

An event sponsored by:
St. Philip's College
and University of Phoenix

Here's your chance to learn about the future of Information Technology and Business — and your role in it. Meet with local employers and University Transfer Partners to discuss options for enhancing your education and growing your career as a qualified Information Technology and Business Professional.

To learn more about educational pathways, visit phoenix.edu/communitycollege or call 800.404.8016.
