National Science Foundation
HBCU UP Project GeNex Scholarship
$2,500 per year

Are you a graduating high school senior or a St. Philip’s College student majoring in biology, chemistry, computer science, environmental science, mathematics, engineering, pre-engineering or statistics? If so, you can apply for the NSF HBCU – UP Project GeNex Grant Scholarship currently available through the Mathematics Department.

Scholarship includes:
• The cost of in-state conferences, field trips and workshops.
• A stipend of $1,250 per semester which is a total of $2,500 for school and living expenses.

Minimum eligibility requirements for the scholarship are:
• Prospective or current St. Philip’s College students must have at least the following test scores:
  SAT— Verbal 430 / Mathematics 500
  ACT— Verbal 17 / Mathematics 19 / Composite 25
  Accuplacer— Reading 78 / Sentence Skills 80 / Essay 6 / Elementary Algebra 109
  THEA— Reading 230 / Writing 220 / Essay 6 / Mathematics 270
• Demonstrate financial need
• Must remain enrolled for a minimum of 9-semester hours as a St. Philip's College STEM major.
• Maintain an overall GPA of 2.50 or higher.
• Have not previously earned a bachelor’s degree.
• Student must be a U.S. citizen or a permanent resident. Students must reside in the United States.
• Student must declare a major in biology, chemistry, computer science, environmental science, mathematics, engineering, pre-engineering or statistics.

The following documents must be submitted by each applicant:
• Free Application for Financial Student Aid (FAFSA)—online at http://www.fafsa.ed.gov.
• HBCU UP Scholarship application
• Two sealed letters of support attesting to the student’s work ethic, academic level, motivation, time management and communication skills.
• A 500-word essay explaining the student’s academic goals.
• Copy of high school and college transcripts (if currently enrolled in college or has taken college classes).

Mail complete package to:
