**I-BEST Health Information Specialist**

At St. Philip’s College

**Program Basics**

- Level 1 Certificate from St. Philip’s College
- 1 ½ Years
- Training includes support and employment service options.
- All students can access student success support services and advising.

**Health Information Specialists** compile, process, and maintain the medical records of hospital and clinic patients in a manner consistent with the healthcare industry's numerical coding system. Health Information Specialists review medical records for accuracy, retrieve records for medical personnel, enter data into computers, compile and maintain patients’ medical records, and process patient admission or discharge documents.

**Where do Health Information Specialists work?**

- Hospitals
- Clinics
- Telecommute (work from home)

**Average Starting Wage**

$14.74/hr

**I-BEST Health Services**

**What is I-BEST?**

I-BEST students benefit from technical training that is combined with reading, writing, math or English language skills needed for training. Students in I-BEST programs enter training without needing to first complete developmental education.
