NOTICE TO PROGRAM APPLICANTS

Thank you for your interest in applying to the St. Philip’s College Vocational Nursing Program.

The Nursing Education Department makes every effort to provide an understandable application process by insuring each applicant has the necessary information for application completion. It is the student’s responsibility to review the application requirements and selection criteria for the nursing program they are applying. Application requirements and selection criteria are subject to change. Please visit the program’s website for detailed information about the nursing program application and selection process.

Instructions for the background check and drug screen will be given with the conditional letters of acceptance.

Nursing Education Department office personnel are able to assist you with general application questions you may have. However, it remains the responsibility of the applicant to follow all written instruction for application submission and selection criteria.

Alamo Colleges, St. Philip’s College, and the Nursing Education Department are not responsible for any applicant misinterpretation of the application or selection process. As evidence that you have read and understand this notice, you will be asked to confirm understanding with your signature on the Vocational Nursing Application.
