ACCELERATED INDUSTRY SKILLS TRAINING

CE Spring 2024 Training Catalog

SCAN ME!

Characteristics of a Continuing Education (non-credit) training programs:

- There is no college entrance exam (TSI) or transcripts required for entrance

- Is eligible for TPEG

- Offered throughout the year to include traditional academic starts

- Accelerated delivery; short term training

- Includes required and/or recommended prerequisites or co-requisites;

- Leads to an external credential (license, certification, or registration); or are taken by a majority of students in sequence to meet occupational qualifications.

Value-add of Continuing Education (non-credit) training programs:

- Students receive skills-focused trainings in as little as 4-16 weeks.

- Online, hybrid, and face-to-face modalities offered days, evenings, and weekends.

- 40+ programs in high-demand, high-wage industry occupations.

- CE-2-Credit workforce pathways provide students an opportunity to earn Academic Credit Hours towards Academic certificates and degrees.

Exploring Continuing Education (non-credit) training programs:

- Plans of Study

- Informational video clips

- Program requirement checklists

- CE Pathways & Credentials of Value

- Inquiry button (healthcare currently)

- How to register with CE

**Student Background Disclaimer:
Many healthcare-related positions require applicants to undergo a criminal background fingerprint test and/or drug screening. A criminal history may prevent licensing, certification or employability. As you are considering a CE program that requires a criminal background/fingerprint test and/or drug screening, are responsible:
- For knowing whether if they are eligible for licensure or certification before committing to a CE program, and
- Contacting the respective certification agency to find out if a conviction will prohibit them from being certified and able to work in the industry.

Refer to the Allied Health Requirements Checklist for pre-requisites and externship requirements. .

*Tuition for these programs include book(s) and exam voucher for qualifying students

**Student Background Disclaimer:
Many healthcare-related positions require applicants to undergo a criminal background fingerprint test and/or drug screening. A criminal history may prevent licensing, certification or employability. As you are considering a CE program that requires a criminal background/fingerprint test and/or drug screening, are responsible:
- For knowing whether if they are eligible for licensure or certification before committing to a CE program, and
- Contacting the respective certification agency to find out if a conviction will prohibit them from being certified and able to work in the industry.

Refer to the Allied Health Requirements Checklist for pre-requisites and externship requirements. .

*Tuition for these programs include book(s) and exam voucher for qualifying students
