GENIE STUDENT APPLICATION

What is GENIE? The Global Engagement Network for International Education (GENIE) is a program to connect international and domestic students by creating an environment that actively provides opportunities for cross-cultural interaction between international students, domestic students, faculty, and the community. GENIE provides a mutual benefit for these students as they forge relationships with each other, develop new perspectives, and form multicultural competencies that assist them throughout their educational journeys.

BENEFITS - INTERNATIONAL STUDENTS

- Connect with ACD students before and after arriving in the U.S.
- Meet new people with different perspectives
- Practice your English skills
- Learn about the U.S. and Texan culture through the eyes of a domestic student
- A chance to share your culture
- Develop interpersonal and communication skills

BENEFITS - DOMESTIC STUDENTS

- Engage in intercultural experiences
- Meet new people with different perspectives
- Practice your second language skills with a native speaker
- Become more globally aware by learning about new cultures
- A chance to share your culture
- Develop interpersonal and communication skills

REQUIREMENTS

- Student at any of the five colleges
- Remain in good academic standing
- Accepting of all genders, orientations, religions, races, ethnicities, and more
