Student Success

125th Anniversary Celebration highlights the student experience

Student Success was the focal point of the 125th Celebration with three student speakers; Student Government Association President Valentin

Morin, Strada Scholar Zena Hariri, and SPC alumnus Enrique Salinas. They each shared their experiences as well as the unique struggles they overcame with the help of SPC services and programs. They were prime examples of the impact that fundraising dollars have in changing lives.

Performance Excellence

Culinary Arts provides food service for 450 guests on campus

On Wednesday, March 1, the Tourism, Hospitality, and Culinary Arts Department provided a fine dining experience for the 125th Celebration. This event took a full team effort from every part of the department. All chefs and instructors, along with the chair and culinary coordinators worked at the event. Students had a hand in creating a successful experience, from food preparation, plating, and service, to overseeing the beverage stations.
