Message from the President

Dear Class of 2019,

On behalf of the faculty and staff at Palo Alto College, I would like to commend you on your individual achievements. You have journeyed a long way toward your success and we look forward to seeing what your future holds.

As you celebrate your success, prepare yourself for tomorrow and brace yourself for new challenges and endeavors you may face ahead. Continue to chase your dreams and soar to excellence. I wish you all the best in making your dreams a reality.

In service and PAC proud,

Dr. Robert Garza
President, Palo Alto College

Alamo Colleges District-Palo Alto College has been named a Rising Star by the 2019 Aspen Prize for Community College Excellence, the nation's signature recognition of high achievement and performance in America's community colleges.

Palo Alto College was selected from a pool of nearly 1,000 public two-year colleges nationwide to be eligible for the Aspen Prize, which recognizes educational organizations with outstanding achievements in four areas: learning; certificate and degree completion; employment and earnings; and high levels of access and success for minority and limited income students.

Graduate Designations

Honor Graduates

Honors designations are based on the completion of 60 semester hours. Students graduating with a 4.0 GPA are designated Summa Cum Laude, those with a 3.8-3.99 GPA are designated Magna Cum Laude, and those with a 3.5-3.79 GPA are designated Cum Laude. Honor graduates can be identified by gold cords.

Beta Beta Beta

Beta Beta Beta (TriBeta) is an honors society for undergraduate students dedicated to improving the understanding and appreciation of biological study and extending boundaries of human knowledge through scientific research. TriBeta graduates can be identified by red and black braided cords.

Delta Sigma Omicron

Delta Sigma Omicron is a service fraternity whose members have an interest in ensuring that qualified individuals with disabilities are afforded an equal opportunity to participate in, and benefit from, the curricular, co-curricular, and vocational opportunities. Delta Sigma Omicron graduates can be identified by navy and gold braided cords.

Phi Theta Kappa

Phi Theta Kappa is the international honor society for community, technical, and junior colleges. It is based on four hallmarks – scholarship, leadership, fellowship, and service. Phi Theta Kappa graduates can be identified by gold stoles.

Veterinary Technology

The Veterinary Technology graduates are wearing white stoles with the caduceus and the letters V and T, which creates the nationally recognized emblem for Veterinary Technicians.

Other Graduate Designations

Art Club graduates can be identified by teal and silver double cords.

Ascender/Catch the Next graduates can be identified by multi-colored stoles.

Club Earth graduates can be identified by blue and green braided cords.

Club STAND graduates can be identified by dark purple cords.

Early College High School Graduates

The students wearing silver stoles represent graduates from one of Palo Alto College's early college high school partnerships, where students are dually enrolled in high school and college to earn an associate degree by the end of their senior year of high school. Partner schools include:

- Frank L. Madla Early College High School (New Frontiers Public Schools)
- South San Antonio Early College Academy (South San Antonio Independent School District)
- Southside Early College High School (Southside Independent School District)
- S.T.E.M. Early College High School (Harlandale Independent School District)
- Shirleen Zacharias Early College Leadership Academy (Somerset Independent School District)

Outstanding Former Student

Dr. Philip Cortez

Texas State Representative, District 117

A south San Antonio native, State Representative Dr. Philip Cortez was first elected in 2012 and returned in 2016 to serve his lifelong community as State Representative for District 117 in the Texas House of Representatives. He earned his associate degree from Palo Alto College in 2000 and a Bachelor of Arts in Political Science from the University of Texas at San Antonio in 2002. Rep. Cortez later earned a Master of Public Administration from the University of Texas at San Antonio in 2007. He earned his Ph.D. in Educational Administration from the University of Texas at Austin in December 2017.

Prior to his position in the Texas House of Representatives, Cortez was elected in 2007 and re-elected in 2009 to the San Antonio City Council.

As councilman, he represented District 4, focusing on the development of the district's neighborhoods and on improvement projects citywide. He fought to improve police and fire departments, clean up parks, and modernize libraries throughout the district. Former mayor Julian Castro selected Cortez to serve as chairman of the Audit, Infrastructure and Growth Committees, president of the San Antonio Housing Trust Public Facility Corporation, and as a member of the Governance Committee.

Since 1999, Cortez has proudly served his country in the U.S. Air Force. He served for seven years as an enlisted airman with the 433rd Airlift Wing at Lackland Air Force Base, eventually rising to Staff Sergeant. In 2006, Cortez was commissioned as Second Lieutenant. Cortez was deployed to the Middle East in April 2016 for six months in support of Operation Inherent Resolve. He was awarded a Commendation Medal (First Oak Leaf Cluster) for Outstanding Achievement during his deployment.

During his tenure as State Representative, Cortez has successfully passed legislation supporting veterans and their families, improving our public schools, protecting senior citizens and bringing jobs to Bexar County. Additionally, he stood up for property rights through annexation reform on behalf of the citizens of West Bexar County. He currently serves on the house appropriations committee and house resolution calendar, and is Vice Chairman of the house elections committee.

Outstanding Former Student

María D. García

Vice President for Community Engagement and Corporate Responsibility, CPS Energy

María D. García oversees CPS Energy’s community programs, which include CPS Energy’s first responder customer unit, the Customer Response Unit (CRU), as well as Community Outreach, Public Safety and Education, and the Casa Verde Weatherization Program. Additionally, García has oversight of the Corporate Responsibility team, which delivers volunteerism, sponsorship, and educational investments back into the San Antonio community under the spirit of People First. García has been with CPS Energy for 20 years and has had several roles of increasing responsibility including supply chain, customer service, and residential and commercial demand side management programs, plus executive and key account management.

García also led the creation of the highly successful Casa Verde SA, which has provided weatherization services to approximately 27,000 qualifying families in Bexar County.

Prior to joining CPS Energy, García was a tenured federal employee, working with the U.S. Department of Agriculture in quality control and procuring aircraft maintenance and repair services for the U.S. Air Force at the former Kelly AFB.

García has both a Bachelor of Business Administration and Master of Business Administration from the University of the Incarnate Word and is a graduate of the Executive Education Accelerated Development Program at Rice University. García is a graduate of Leadership San Antonio Class 40 and represents CPS Energy on numerous boards of directors within the San Antonio community, including the American Heart Association, Build San Antonio Green, and the Texas Energy Poverty Research Institute. She is the executive mentor to the Hispanic Organization of Public Employees. García was also a recipient of the 2018 San Antonio Business Journal Women Leadership Awards.

HONORARY DEGREE and KEYNOTE SPEAKER

Maria del Rosario "Rosie" Castro

Rosie Castro first began her career in politics at age 23, when she ran for San Antonio City Council. She has been a political activist in Texas ever since, advocating for reflective democracy and the Mexican-American community. She is best known as the mother of Julián Castro, former mayor of San Antonio and former United States Secretary of Housing and Urban Development, and United States Representative Joaquín Castro, 20th District of Texas.

Castro served at Alamo Colleges District-Palo Alto College in various capacities such as Director for the Center of Academic Transitions and Interim Dean of Student Success. Castro exhibited foresight and passion and was a role model to the many students she worked with during her time at Palo Alto College. Her role in creating the Center

for Academic Transitions (CAT) and producing record numbers of graduates serves as a testament to her passion for educational access and opportunity.

Castro's contributions to Palo Alto College have been numerous; however, what she is most known for in the San Antonio community is her championing for equal rights. She is a well-known, local civil rights activist and was a founding member of La Raza Unida. Castro helped shape a new era, from registering voters to providing educational access to all. Castro has been a pioneer in the equal right movement and continues to do so.
