

ALAMO COLLEGES DISTRICT
San Antonio College

10th Annual Architecture/Engineering JOB SHADOW DAY

Friday, October 13th, 2023 | 8:00 a.m. - 2:00 p.m.

Spend the morning at a participating local architecture or engineering firm, where you will experience what it's like to be in your chosen profession, see firsthand the skills and education needed, and observe your coursework being put into action.

Then attend a catered lunch on campus to share what you learned with your peers, faculty, firm representatives, and Alamo Colleges leaders. Firm representatives will also be invited to tour the SAC studios, projects and more following lunch.

Participation is limited. To be considered for this valuable learning and networking experience, contact:

Architecture students:

Participation is limited to students currently enrolled in Design 3 Studio ARCH 2603. Students will be accepted on a first-come, first-served basis. Submit completed applications to Dwayne Bohuslav at CAC 263.

Engineering students: Submit completed applications to Bly Korseau at bkorseau@alamo.edu or Henry Griffith hgriffith5@alamo.edu

Please complete and return **by September 15th at noon**. Confirmations and assignments will be communicated **by September 22nd**.
