Message from our Vice President of Student Success

Greetings SPC Tigers,

We hope this newsletter finds you well and happy. You have made it to the halfway point of the year and the summer term. Congratulations!

We know that taking classes in the summer can be challenging, especially when the weather is so inviting and there are so many fun things to do, but we also know that you are motivated and determined to achieve your academic goals. We are proud of your hard work and dedication. You are almost there!

July is a month of celebration and relaxation. It is the month when we honor our nation's independence and enjoy the fireworks and festivities. It is also a great month to take a break and recharge your batteries. Whether you are planning a trip, a staycation, or just some quality time with your loved ones, we hope you will find some time to enjoy yourself and appreciate the beauty of life.

In this newsletter, you will find some tips and resources to help you finish the summer term strong and prepare for the next one. You will also find some suggestions for fun activities and events to do in July. We hope you will take advantage of them and wish you all the best for the rest of the summer and beyond.

As always, please reach out to me if I can be of service to you at wwells8@alamo.edu.

In service,
Wesley B. Wells
Vice President for Student Success St. Philip's College

Volunteer for EnRoll-A-Palooza!

Help incoming Tigers get through the enrollment process and registered for classes. This is an ideal opportunity to speak with incoming students regarding your department, student organization, programs, or other events you hope students will participate in during the fall semester. Those interested in volunteering can reach out to [Dawn Lopez](#) in Admissions.
