

The Sigma Pi Chi Chapter of the Lambda Nu Honor Society at St. Philip's College selected **22** new students for induction. Lambda Nu (LN) is the only national honor society for recognizing exceptional students enrolled in an imaging science program.

To be selected, students must have achieved at least a 3.5 GPA on a 4.0 scale, completed a full semester of their radiologic or imaging science program, demonstrated professional commitment to their field, and received a faculty recommendation for exemplary leadership skills in their respective program.

The 2024 LN students selected by program are:

Diagnostic Medical Sonography (7)

Lesly Bedoy
Faviola Cabrera
Reanna Francois
Samantha Gaspard
Lauren Lira
Kathryn Moser
Sydney Yarborough

Radiography Technology (15)
