

St. Philip's College Health Sciences Programs

IMMUNIZATIONS:

All students accepted into an Health Sciences program at St. Philip's College must present evidence of having met the following immunization requirements BEFORE the student will be allowed to begin any clinical assignment:

- **Tetanus, Diphtheria, Pertusis (Tdap)** – 1 within ten (10) years and thereafter a Td every 10 years.
- **Measles/Mumps/Rubella (MMR)**
 - Measles & Mumps—Proof of either: 1) MMR vaccine or up to date blood test showing you're immune to measles or mumps OR 2) Get 2 doses of MMR (1 dose now and the 2nd dose at least 28 days later).
 - Rubella—Proof of either: 1) MMR vaccine or up to date blood test showing you're immune to rubella OR 2) one does of MMR (although you may get 2 doses).
- **Tuberculosis Skin Test (PPD)** – within one (1) year. If PPD result is positive, student must obtain chest x-ray report confirming no active case of tuberculosis (within 2 years).
- **Hepatitis A** – Series of 2 vaccines. (Required for the following programs: Medical Laboratory Technician, Histologic Technician, and Phlebotomy)
- **Hepatitis B** – Proof of either: 1) documented evidence of a complete hep B vaccine series or an up to date blood test showing you're immune to hepatitis B OR 2) Get the 3-dose series (dose #1 now, #2 in a 1 month, #3 approximately 5 months after #2 and get an anti-HBs serologic tested 1 – 2 months after #3).
- **Varicella (chicken pox)** – Proof of either: 1) a physician-documented history of disease 2) an up to date blood test that shows you're immune to varicella or 3) documentation of 2 doses of varicella immunizations (injections must be spaced 4 weeks apart).
- **Meningitis** – required for any student under the age of 22.
- **Flu (Influenza)**—Get 1 dose of influenza vaccine annually.
- Additional immunization may be required.

DRUG SCREENING & BACKGROUND CHECK:

All students accepted into a Health Sciences program at St. Philip's College will be required to complete drug testing and background check. Students will be responsible for all costs associated with this process. Certain clinical sites may require additional drug screen or criminal background check. Details regarding this process will be provided by Health Sciences personnel.

Enrollment into a Health Sciences program by students with felony convictions could result in denial of licensure or certification. These students would not be eligible for admission into the program until a declaratory order process is completed with the licensure or certification board and proof of eligibility for licensure or certification is provided.

PERSONAL HEALTH INSURANCE:

All students accepted into a Health Sciences program at St. Philip's College are responsible for obtaining personal health insurance prior to attending clinical rotations. Proof of insurance is required. Options for coverage include the following:

- Family or spouse's insurance policy
- Private insurance
- Employer insurance
- Medicaid
- CareLink (more info at [What is CareLink?](#))

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C & 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. For more info, see U.S. Department of Education web site at <http://www.ed.gov/policy/gen/guid/fpco/ferpa/index.html>

St. Philip's College does not discriminate on the basis of race, color, religion, gender, national origin, age, disability, veteran status, genetic information or sexual orientation with respect to access, employment, programs or services.

Inquiries or complaints concerning these matters should be brought to the attention of:
