QEP Goal: Students engage in specific measurable academic activities to enhance their ethical decision-making skills.

Ethical Decision Making Process

SACSCOC Accreditation

St. Philip's College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award associate degrees and certificates.

SACSCOC Frequently Asked Questions (FAQ's)

Although St. Philip's College was denied reaffirmation, St. Philip's College continues to be an accredited institution for the next 12 months. At the end of these 12 months, our institutional reaffirmation accreditation status will be reviewed again by the SACSCOC Board of Trustees.

What is SACSCOC?

SACSCOC is an acronym for Southern Association of Colleges and Universities Commission on Colleges. It is an accreditation body for degree-granting higher education institutions and serves institutions approved by the Commission to award associate, baccalaureate, master's, or doctoral degrees in Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas, Virginia, and Latin America and other international sites.

Is St. Philip's College (SPC) still accredited?

Yes, currently St. Philip's College continues to be an accredited institution. SPC has been accredited by SACSCOC since 1951.

Will St. Philip's College shut down like Career Point College, ITT Technical Institute and similar schools?

SPC was not found to be in non-compliance regarding financial stability, like Career Point College and ITT Technical Institute. SPC remains financially stable with strong academic programs, and we will work collaboratively with District representatives to earn the reaffirmation of SPC.

Will I still be able to transfer to/from St. Philip's College?

Yes, students can still transfer to/from SPC; however the "receiving institution" determines the transferability of all coursework.

Will I still be able to enroll at St. Philip's College?

Yes, currently SPC continues to be an accredited institution.

Will I still be able to graduate from St. Philip's College?

Yes, currently St. Philip's College continues to be an accredited institution. Students are encouraged to meet with their advisor and apply for graduation. St. Philip's has two annual commencement ceremonies (one in December and one in May every year). For more information, visit <https://www.alamo.edu/spc/graduation/>

Is my financial aid affected by this warning?

No, the warning does not affect students who receive financial aid at this time. Currently, SPC continues to be an accredited institution.

Are students who are enrolled in dual credit courses or at any of the Early College High Schools at SPC affected by this warning?

SPC is working with the Alamo Community College District to develop a contingency plan in the event that dual credit or Early College High School students are affected by changes in accreditation status in December of 2017.
