Deferred Action for Childhood Arrivals (DACA)

For more information, contact Carmen de Luna Jones at 210-485-0280.

What should I do if I believe an enforcement action has taken place that is inconsistent with this guidance?

DHS has explained that there are a number of locations where an individual may lodge a complaint with DHS about a particular immigration enforcement action that may have taken place in violation of these or other policies. You may find information about these locations, and information about how to file a complaint, on the DHS website at <https://www.dhs.gov/>, the CBP website at <https://www.cbp.gov/>, or ICE website at <https://www.ice.gov/>.

You may contact ICE Enforcement and Removal Operations (ERO) through the Detention Reporting and Information Line at 888-351-4024 or through the ERO information email address at ERO.INFO@ice.dhs.gov, also available at <https://www.ice.gov/webform/ero-contact-form>. The Civil Liberties Division of the ICE Office of Diversity and Civil Rights may be contacted at 202-732-0092 or ICE.Civil.Liberties@ice.dhs.gov.

You may contact the CBP Information Center to file a complaint or compliment via phone at 877-227-5511, or submit an email through the website at <https://help.cbp.gov>.

Where should I report discrimination if I believe it is taking place in my school?

Anyone with information about discrimination occurring in schools, including discrimination on the basis of race, color, or national origin (which may include citizenship or immigration status), may file a complaint by contacting the U.S. Department of Education, Office for Civil Rights via www.ed.gov/ocr, ocr@ed.gov, 800-421-3481 or TDD: 800-877-8339 (for language assistance contact 800-USA-LEARN (800-872-5327)) or by contacting the U.S. Department of Justice, Civil Rights Division, Educational Opportunities Section via www.justice.gov/crt/edo, education@usdoj.gov, 877-292-3804, or TTY: 800-514-0383.

Will enforcement actions ever occur at sensitive locations?

DHS has explained that immigration enforcement actions may occur at sensitive locations in limited circumstances, but should generally be avoided. DHS officers and agents from U.S. Immigration and Customs Enforcement (ICE) or U.S. Customs and Border Protection (CBP) may conduct an enforcement action at a sensitive location only with prior approval from an appropriate supervisory DHS official, or if the enforcement action involves exigent circumstances related to national security, terrorism, or public safety, or where there is imminent risk of destruction of evidence material to an ongoing criminal case.

For more information about these civil rights protections, please see the U.S. Department of Education (ED) and U.S. Department of Justice joint Dear Colleague letter <http://www2.ed.gov/about/offices/list/ocr/letters/colleague-201405.pdf>

FACT SHEET FOR FAMILIES AND SCHOOL STAFF: LIMITATIONS ON DHS IMMIGRATION ENFORCEMENT ACTIONS AT SENSITIVE LOCATIONS

All children have a right to a free public education, regardless of their actual or perceived immigration or citizenship status or that of their parents.¹ Education leaders, teachers, students, and families, have asked questions about guidance that was released by the U.S. Department of Homeland Security (DHS) that limits immigration enforcement actions from occurring at schools and other “sensitive locations.” This DHS guidance is at: <https://www.cbp.gov/border-security/sensitive-locations-faqs>. To respond to those questions, the U.S. Department of Education has worked with DHS to prepare this fact sheet, intended to help parents, families, educators, and other school staff understand the DHS guidance.

In general, DHS has explained that immigration enforcement actions may not occur at or in “sensitive locations.”

These locations include:

Schools, such as known and licensed daycares, pre-schools and other early learning programs; primary schools; secondary schools; post-secondary schools up to and including colleges and universities; as well as scholastic or education-related activities or events.

School bus stops that are marked and/or known to the officer, during periods when children are present at the stop.

Medical treatment and health care facilities, such as hospitals, doctors' offices, accredited health clinics, and emergent or urgent care facilities.

Places of worship, such as churches, synagogues, mosques, and temples.

Religious or civil ceremonies or observances, such as funerals and weddings.

During public demonstrations, such as a march, rally, or parade.

Johns Hopkins Center for Talented Youth: Residential, Teaching and Administrative Opportunities (Summer 2018)

For more information contact Mirande Bissell at 410-735-4275:

Hello!

I am the Assistant Program Manager for Summer Programs at Johns Hopkins Center for Talented Youth, and I am writing to share some information with students at St. Philip's College about summer employment opportunities at Johns Hopkins University's Center for Talented Youth (CTY). *Please see the attached flier and links below for more details.*

We are seeking applicants to join our 2018 summer staff as teaching assistants, RAs, instructors, and administrators in [our program for academically talented students](#). As a CTY instructor or TA, you would develop a vibrant class for highly able children and teens. As an administrator (such as a senior RA or academic dean, for instance), you would develop skills in coaching and leading colleagues in a fast-paced setting under the aegis of Johns Hopkins.

We have a number of sites around the nation, including in California, Connecticut, Washington, New York, Rhode Island, Pennsylvania, Maryland, and Virginia. We also have two sites in Hong Kong. We are excited to open our new location at Yale this summer.

CTY offers challenging academic programs that attract young learners from around the world. Each student takes just one class for three weeks -- with a total of about 100 contact hours in the course over that period. The classes are intense and -- we hope -- deeply intellectually and personally rewarding. [We offer classes across the disciplines](#), including Astrophysics; Special Relativity; Organic Chemistry; Game Theory; Micro- and Macroeconomics; Law and Politics; Playing God: The Ethics of Human Subject Research; and Fiction and Poetry -- to name just a few. Nearly 10,000 students take a CTY summer course each year. Our staff includes upwards of 2000 adults (across more than twenty locations).

Join our team for three to seven weeks. (Dates may vary by location)

- Sites open for administrators: June 18
- Session 1: June 21 - July 14
- Session 2: July 14 - August 4
- Sites close: August 5

I am happy to serve as a point of contact, and I encourage anyone interested to visit our summer employment website at <http://cty.jhu.edu/jobs/summer/> for more details (and to apply online). I can be reached at mirande.bissell@jhu.edu.
