

Implementation Progress

SPC Weekly: The EDM Tip of the Week continues. The tip for the week of Nov 7 was a student submission: ***There may be times when we are powerless to prevent injustice but there must never be a time when we fail to protest.*** Additional tips have been submitted and reviewed by the QEP implementation team, including tips submitted by ECHS/DC students from NEISD. There are currently 34 approved tips available for website and digital signage rotation.

Student Life: Student Activities *What Would You Do*, EDM scenarios will continue on Spirit Day through Wednesday, Nov 30. SEG students encourage student participants to read the *WWYD* scenario, use the SPC EDM process and then discuss how values, ethical issues and perspectives may influence outcomes. MLK students prefer entering responses via iPad and SWC students seem to prefer post-it-note responses for others to read. This seems to generate more discussion. *WWYD* activities for spring 2017 will begin on Jan 18.

QEP EDM student focus groups have been scheduled for the fall semester. Kevin Schantz will launch cafeteria student focus groups this semester. The purpose of the cafeteria sessions is to gather data about students' understanding of the QEP in general and EDM in particular in a more general/casual setting. The information gathered will assist in the development of future programming and promotion of EDM. Victor Natera, new member of the QEP implementation team, will assist with the student focus groups.

Alberto Vasquez continues to work with Hannah Mahaffey on the SPC EDM app. Albert is creating the multiple choice questions to be used in the app covering the SLOs. SPC EDM App will be unveiled in spring 2017.

Ethics Bowl: Eight students represented SPC in the Texas Regional Ethics Bowl competition held at St. Mary's University on Saturday, Nov 12 from 9:00 am – 2:30 pm. There were 24 teams representing 18 colleges from Texas, Arkansas and Oklahoma. Some colleges have two teams. Each team competes in 3 rounds with the top 4 teams qualifying for nationals. The SPC team won their 3rd round of the competition against Palo Alto College. Ethics bowl team members are:

Lauren Estrada
Alexandria Welch
Seth Wiedmer
Martin Vertiz
Enrique Alonzo
Na'ima AlHabbas
Zainah Alshobber
Nadia AlHabbas
Sam Haynes

Faculty members Andrew Hill and Matthew Fuller coached the SPC Ethics Bowl Team. Jill Zimmerman assists as team librarian providing EDM resources for the team. The team studied over 25 cases in preparation for the competition. In addition to the SPC coaches, Dr. Paul Machen, Jill Zimmerman and Adrian Jackson came out to cheer on the SPC ethics bowl team.

- National Ethics Bowl Competition February 24-26, 2017 in Dallas, TX (Paperwork to be submitted by Dec 7)
- 2017 Ethics Bowl Summer Workshop, June 23-25, 2017 in Bloomington, IN

QEP Core/Implementation Team: The core team will be meeting from 2:00 – 4:00 pm, today in CLR 301.

Assessment

Defining Issues Test Version-2 (DIT-2): Dr. Loston notified faculty of the DIT-2 and Student Assignment Survey on Wednesday, Nov 9. Assessment materials were delivered to department chairs on Thursday, Nov 10 and will be completed by randomly selected courses from Nov 14 – Dec 1. Dept. chairs will collect completed assessments/surveys and submit to IPRE on Dec 2 for mailing and scoring.

Personal & Social Responsibility Inventory (PSRI): The PSRI 2 (post-test) will be launched on Nov 28 and sent to students who completed the PSRI 1 (pre-test). The PSRI 2 will remain open until Dec 16, 2016. The first 1,000 students completing both will receive a \$20.00 bookstore gift card. Irene Young has received student inquiries about the PSRI-2 launch. Some students are eager to participate.

Joshua Mitchell and Garrett Gowen from Iowa State University, RISE is working on getting the appropriate approval for RISE to collect data on those under age 18 attending SPC. He will try to get approval before the post-test launch on Nov 28. If he does not receive approval in time, modifications will be made in time for data collection next year. QEP directors and Dr. Hinojosa requested Iowa State University RISE remove the 'age 18 consent' requirement that precedes the survey. More students may complete the survey if the consent statement is eliminated. This will help to ensure DC/ECHS students are completing the survey. This is in accordance with SACSCOC and FERPA. DC/ ECHS students must have the same assessment opportunities as the traditional student population.

Iowa State University, RISE is currently working on a preliminary report from the PSRI 1 administration. The report will include the pre-test of the case study, as well as the moral foundation results. Once the report is finalized RISE will schedule a teleconference with QEP directors and Dr. Hinojosa.

In regards to PSRI e-mail communication to students, John Orona has received the new e-mail account for SPC-President. The ICT office will manage the account and set up for authorized individuals only. John Orona would like to set up a SOP of whom is ultimately responsible (one person) to authorize use of this email account. A link to Feed the Tiger could be included in outgoing correspondence for feedback. It has been suggested the following statement be integrated in all outgoing correspondence from this account:

Please do not reply to this e-mail. It is a notification-only address. All replies should be sent to <http://spcweb.alamo.edu/feedback/index.html> .

Rubric Assessment: Sonia Valdez has forwarded an information packet for artifact collection and rubric assessment to instructional deans and chairs. Flex II and all other courses will have artifacts collected this month. Rubric assessment and calibration is scheduled for Feb 2-3, 2017.
