### NIGHTLOCK® LOCKDOWN

For inward and outward-swinging doors. Wood or Metal doors.

#### NIGHTLOCK® LOCKDOWN – HOW IT WORKS

The NIGHTLOCK® Lockdown uses the strength of the floor to withstand tremendous force, and works on any outward- and inward-swinging doors. The NIGHTLOCK unit is installed at floor level, and remains out of reach to

**BUY NOW** \$69.95

### NIGHTLOCK® LOCKDOWN 2

For outward-swinging, wood doors ONLY.

#### NIGHTLOCK® LOCKDOWN 2 – HOW IT WORKS:

Utilizing the structural stability of the metal door frame, this model also withstands tremendous force but requires no floor mounting. Works on outward-swinging doors only with hollow metal door frames. Because NIGHTLOCK 2 is
