Writing Center: Increased Successful Completion

The successful completion (grade of "C" or better) rate of students in remedial and college-level English courses increased by visiting the Writing Center at least two times during the Fall 2006 semester.

**Remedial and College-Level English
Successful completion
by Number of Visits to Writing Center
Fall 2006**

With no visits to the Writing Center, the remedial English classes had a successful completion rate of 40.9%. With two or more visits, the successful completion rate was 55.8%.

As for the college-level English classes, the successful completion rate without visits to the Writing Center was 55.2%. With two or more visits, the successful completion rate was 76.3%.
