

Tiger Pride

There is always great news to share about our St. Philip's College family. The following achievements align with our College Strategic Objectives: Student Success, Performance Excellence, and Principle-Centered Leadership. Stay up to date with our faculty, staff, and student accomplishments by reading the President's Newsletter online at alamo.edu/spc/newsletter and follow us on social media @GOSPC.

Student Success

SPC Trains Auto Techs on Hybrid Ops

St. Philip's College works with area businesses to keep working professionals on the cutting edge of technology. 11 automotive technicians recently completed a three-day training session, "Hybrid & Electric Vehicle Operation & Diagnosis." The course covered electronic input and output device operations and diagnostic techniques. Participants earned career-enhancing certifications upon completion.

Performance Excellence

SPC Students Receive Gas Cards in Support of Retention

Students in the Applied Science & Health Sciences Divisions received 85 gas cards for the summer semester due to COVID-19. Funding was paid under the Carl Perkins Grant. The \$10 gas cards support retention and persistence by helping students defray transportation costs to attend class. The Carl D. Perkins Career and Technical Education Act of 2006 supports academic achievement of career and technical education students.

Principle-Centered Leadership

SPC Welcomes High School Educators

Tourism, Hospitality and Culinary Arts prepares educators for Fall with the annual Summer Teacher Education Series with Chef Patrick Costello, Chef Cris Goloby and David Uminski. THCA provided free professional development opportunities for high school teachers with hands-on instruction in the college's new THCA building. High school educators engage with SPC throughout the year with a variety of events, including student competitions, training opportunities and campus tours.
