**In Commemoration of**

***The 125<sup>th</sup> Anniversary of St. Philip's College  
San Antonio, Texas***

***Greetings, and Grace and Peace to all, in the Name of our Lord Jesus Christ.***

***On behalf of*** the Clergy and People of the Episcopal Diocese of West Texas, we do extend our heartiest congratulations to the President, Students, Faculty, Board and Staff of St. Philip's College, San Antonio, as you celebrate the College's 125<sup>th</sup> Anniversary.

***We are always*** standing upon foundations left by those who came before us. The current flourishing of the College through its strong leadership, dedicated staff and robust student body gives ample evidence that the College has stayed true to its mission, vision and legacy.

***We are honored*** that the histories of St. Philip's College and the Diocese of West Texas have been intertwined since the beginning. We rejoice that our second bishop (and first diocesan), the Rt. Rev. James Steptoe Johnston, was granted wisdom to call Miss Artemisia Bowden from North Carolina to San Antonio in 1902 to lead a school founded in 1898 for the daughters and granddaughters of former slaves. She began her work with fewer than ten students. When she retired 52 years later, St. Philip's had been transformed into a fully accredited junior college, offering more than 100 degree and certificate programs. We rejoice that Dr. Bowden devoted her life to this godly work, which God has blessed so abundantly for more than a century. We are a better Church because of her life among us.

***Further,*** we give thanks to God for her strength of character, her faith, and her courage, which allowed her to persevere and keep her eye on the prize, "through many dangers, toils, and snares." She remains for our Diocese a shining star and a powerful example of faithful discipleship, and we can all be justly proud that the Episcopal Church throughout this nation, remembers her on the Church's Calendar on August 18<sup>th</sup> each year.

***At the same time,*** we are mindful that, at times, our Diocese has been prouder of our historic relationship than devoted to cultivating and growing that relationship. We are grateful for renewed opportunities for deepened friendship and creative collaboration during the last several years that have strengthened our ties to one another; and we are committed to walking alongside you in support of the College's mission.

***As one of the few*** colleges and universities granted dual designation as an Historically Black College and an Hispanic Serving Institution, St. Philip's College has for more than a century provided educational opportunities to students that might not have been offered elsewhere. The College has enriched and strengthened the lives of thousands, and also enriched and strengthened the life of San Antonio and the surrounding area.

***As we look back*** and celebrate all that St. Philip's has done, we also look forward with great expectation and hope to what lies ahead, as you continue to build upon the foundation. We will be a better Church for having joined you on this adventure.

Faithfully yours in Christ,

The Rt. Rev. David Reed  
Tenth Bishop of West Texas

Members of the diocesan Standing Committee

The Rev. Dr. Ben Nelson – President	Mr. Richard Mosty
The Rev. Matt Wise	Mrs. Nancy Beauchamp
The Rev. Scott Brown	Mrs. Elizabeth Manning

Dear St. Philip's College Class of 2023,

On behalf of the faculty, staff and administration of St. Philip's College, I congratulate you on your achievement!

You have become a member of an elite group-- St. Philip's College alumni -- during a momentous year. Your graduation is part of our 125th anniversary celebration!

You have shown that you are a person who values higher education and you've worked hard to achieve success. Your graduation has an impact on your family, industry and community.

Our mission is simply the success of our students. St. Philip's started as a church school for black girls who were the daughters and granddaughters of emancipated slaves. The school focused on cooking and sewing, and helped girls build leadership and marketable skills.

St. Philip's College, one of the oldest and most diverse community colleges in the nation, turned 125 years old on March 1, 2023.

We are both a historically Black college and a Hispanic-Serving Institution.

Since 1898, we have moved from our original location in La Villita to the current location on San Antonio's Eastside with an additional campus at the old Kelly Field on Quintana Road. Today, we are a multi-campus community college with about 13,000 students pursuing degrees and certificates that lead to high-wage, high-demand careers in support of economic growth of the greater San Antonio area.

St. Philip's College is planning to offer the first baccalaureate program in our college history for those interested in continuing their studies in cybersecurity. We are excited about our physical, programmatic and population growth and you are a part of our legacy.

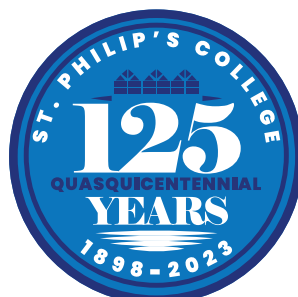

I commend you on this wonderful milestone and I applaud you for your persistence and completion. May you continue to serve as a role model and inspiration to your family and friends.

My very best wishes in all your future endeavors.

Adena Williams Loston, Ph.D.

President

## Artemisia Bowden, Holy Woman

Artemisia Bowden, a teacher and administrator at St. Philip's College for more than a half-century, received recognition by the Episcopal Church as a Holy Woman. The 78th General Convention of the Episcopal Church in Salt Lake City authorized adding Bowden's name to the liturgical calendar in "Holy Women, Holy Men: Celebrating the Saints." August 18 is her designated feast day.

Dr. Adena Williams Loston, President of St. Philip's College, said it was fitting the Episcopal Church recognized Bowden's service. "Miss Bowden came to San Antonio as a very young person, with no relatives here or network. She had to establish herself in a new community, but she had the church which brought her here," Loston said. "The only strong relationship she had was with the church."

A graduate of St. Augustine Normal School in Raleigh, North Carolina, Bowden, daughter of a former slave, taught for two years in North Carolina before becoming principal of St. Philip's. "Our highest ambition is to send from our institution true, God-fearing women, who are not ashamed of the truth and whose characters are spotless," Bowden wrote in a 1904 report on St. Philip's. Loston said Bowden deserves the title "Savior of St. Philip's" because she found ways to keep the school open after the Episcopal Church withdrew its financial support. "To raise funds, she took a quartet of singing students around the country, she bartered chickens and eggs, she discontinued taking a salary and brought her relatives to teach at no cost," Loston said.

Bowden earned a bachelor's degree from St. Augustine College in 1935 and did graduate work at Columbia University and the New York School of Social Work. She received honorary degrees from Wiley and Tillotson Colleges. She retired in 1954.

Today, Bowden is remembered through the Bowden Eye Care & Health Institute, open through the University of the Incarnate Word, and Bowden Academy in SAISD. St. Philip's College has a Bowden Legacy Building as well as Artemisia's, the classroom-restaurant that is part of the Tourism, Hospitality and Culinary Arts Department. Artemisia Bowden was named President Emeritus, St. Philip's College, by Alamo Colleges Board of Trustees on Sep. 15, 2015.

## Historical Sketch of St. Philip's College

Bishop James Steptoe Johnston, the son of a former slave owner and a member of the St. Philip's Episcopal Church of the West Texas Diocese, founded St. Philip's College in 1898. The 120-year-old school, which opened on March 1, 1898, began as a sewing class for black girls with fewer than 20 students in a house located in the area known today as the La Villita Historical Arts Village in downtown San Antonio. Artemisia Bowden, a teacher and daughter of a former slave, later assumed leadership of the school. Under the direction of Miss Bowden over the ensuing 52 years, St. Philip's underwent monumental transformation, evolving from parochial day school to industrial school to a fully accredited two-year college offering a diverse curriculum. Changes included a move in 1917 from the school's original site to a new location just east of downtown, and an affiliation with San Antonio College and the San Antonio Independent School District in 1942 that marked the end of the college's era as a private institution.

Today, St. Philip's College is a comprehensive multi-campus institution of the Alamo Colleges District, joining four other colleges - San Antonio College, Palo Alto College, Northwest Vista College and Northeast Lakeview College - in meeting the educational needs of San Antonio's growing and diverse community.

St. Philip's College is both a Historically Black College and Hispanic Serving Institution.

With an enrollment of more than 13,000 credit students and 8,000 non-credit students, St. Philip's is among the oldest and most diverse community colleges in the nation.

Dr. Adena Williams Loston serves as the 14th President of St. Philip's College. She assumed the reins on March 1, 2007, on the occasion of St. Philip's 109th anniversary.

## ACADEMIC COSTUME AND REGALIA

---

Academic gowns represent a tradition which comes down from the universities of the Middle Ages. At that time they were a common form of dress for faculty and students.

The usual color for academic gowns is black, but the official color of the community college gown is blue. The bachelor’s gown has long sleeves; the master’s gown has slits in the elbows of the sleeves; and the doctor’s gown is trimmed with velvet bands. Caps, originally round, later became square mortarboards.

The hoods once served as cowls which could be slipped over the head for warmth. Hoods are lined with colors of the college or university from which the wearer received his/her degree. The trimming or color of the hood designates the degree.

---

## PRESIDENTIAL MEDALLION

---

The presidential medallion is worn by the President of the College/University at all Commencement Ceremonies as a sign of honor and regard for the institution’s academic leadership. The medallion is imprinted with the official seal of St. Philip’s College, and is inscribed with the former presidents of the institution and their tenures.

---

## MACE AND GONFALON

---

Historically, the Mace is a symbol of authority dating from medieval times when knights carried them during processions leading the way before their kings or other dignitaries. As the tradition grew, the Mace became a ceremonial symbol of peaceful leadership, and maces were embellished with jewels and metals. Today, a college/university's mace represents a symbol of authority and the mace bearer leads the ceremonial procession and is carried before the president or chancellor and platform-party dignitaries during commencement and inaugural and other academic ceremonial processions.

The commencement Gonfalon is a banner which hangs from a cross pole, bearing the school colors, seal, and division name. It signifies the different divisions within St. Philip's College. The Gonfalons lead the student processional.
