## Message from our Interim Vice President:

Greetings SPC Tigers,

The summer is a good time to search for additional scholarships; ones that are awarded the 2022-2023 academic school year. Be diligent in your efforts to find scholarships to fund your education. It is a good feeling to know that you found a grant or scholarship to cover your college expenses and not take funds from your savings account or take out a student loan. Loans should be your last resort. Also, stay away from the scholarship links asking for a fee. Here is a good link to begin with <https://alamo.academicworks.com/>. There are two scholarships for SPC with a July 15, 2022 application deadline. If you need help with the application essay, seek support from the staff in the Rose Thomas Writing Center or the Integrated Reading and Writing lab.

In service,

Diane Hester  
Interim Vice President for Student Success

### Preventive Steps

After you are fully vaccinated for COVID-19, take these steps to protect yourself and others:

- In general, you do not need to wear a mask in outdoor settings.
- If you are in an area with high numbers of COVID-19 cases, consider wearing a mask in crowded outdoor settings and when you are in close contact with others who are not fully vaccinated.
- You should continue to take all precautions recommended for unvaccinated people, including wearing a well-fitted mask, until advised otherwise by their healthcare provider.
- If you are fully vaccinated, to prevent possibly spreading viruses to others, wear a mask indoors in public if you are in an area of substantial or high transmission.
