

RIGHTS AND RESPONSIBILITIES

Student Rights & Responsibilities

Student Rights & Responsibilities is codified in Board Policy F. 6.2. which acknowledges the shared responsibility for student success. In part the policy states, “as members of Northeast Lakeview College learning community, students, faculty, staff and administrators all share the responsibility to create an atmosphere where knowledge, integrity, truth, and academic honesty are valued and expected”. Inherent in the academic climate is the expectation that students will

assume responsibility for contributing to their own development and learning. There is a direct correlation between student effort and academic success, the degree to which they interact with faculty and peers, and the extent to which students integrate into the college activities.

The Student Rights and Responsibilities Policy asserts four major areas of student responsibility: Engagement, Communication, Academic Success and Self Responsibility and Responsibility to Others.

See the Board Policy at <https://www.alamo.edu/siteassets/district/about-us/leadership/board-of-trustees/policies-pdfs/section-f/f.6.2-policy.pdf> for access to policy in its entirety.

Academic Fresh Start

Senate Bill 1321 entitles residents of Texas to seek admission to public institutions of higher education without consideration of courses undertaken 10 or more years prior to enrollment. The bill has been called the “right to an academic fresh start,” and it gives students the option of electing to have coursework, taken 10 or more years prior to the starting date of the semester in which the applicant seeks to enroll, to count as usual or to be ignored for admissions purposes.

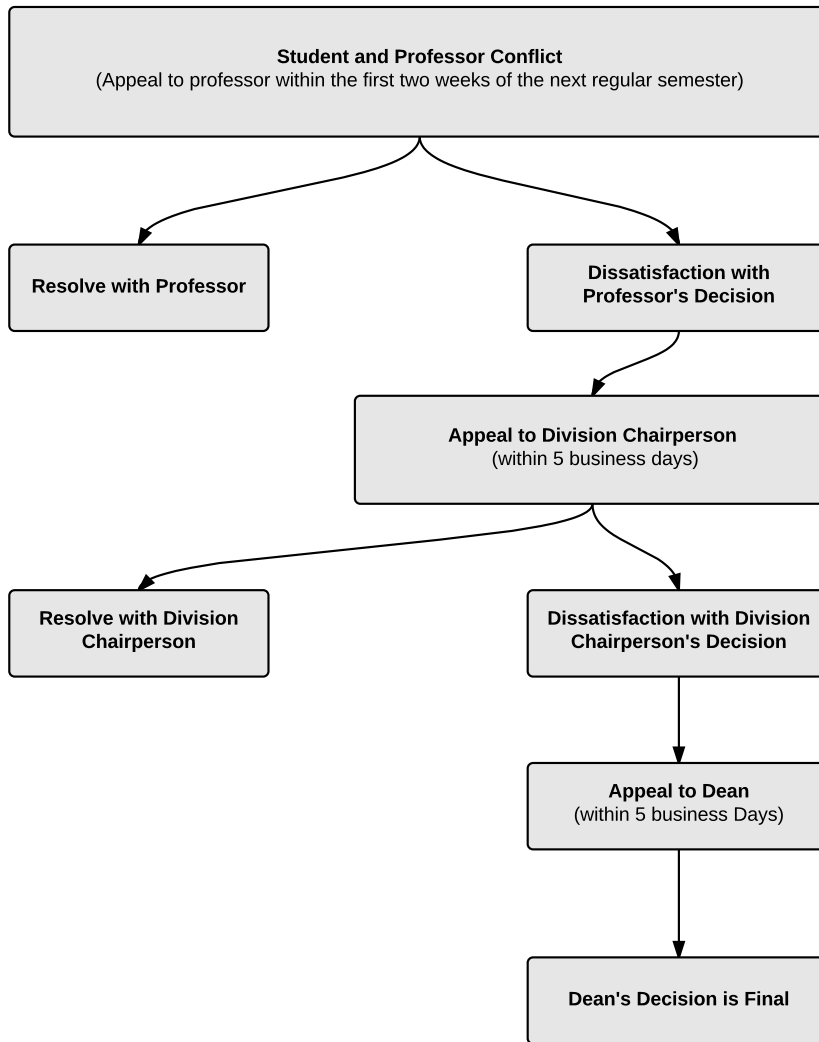

Academic Grievance Policy

Faculty are responsible for classroom management, teaching strategies, testing, and evaluation of student performance. At academic institutions conflicts may develop within the educational process that require academic intervention using the Academic Grievance process. If the grievance process is to function, a serious effort must be made to resolve such conflicts expeditiously. When student complaints cannot be resolved through informal interaction with a faculty member or chair/coordinator, students are directed to use the Academic Grievance procedure by filing a Student Academic Grievance form, available from any division chair.

Students are encouraged to use the Academic Grievance process only when there is clear and convincing evidence that a faculty member has treated the student unfairly, arbitrarily, or capriciously. The Academic Grievance procedure allows for unresolved complaints to continue moving from student, to instructor, to division chair, to dean until consensus is reached or final decision affirming or denying the grievance is made by the appropriate dean. Students are encouraged to address their concerns informally with their faculty member, when possible, before perusing the formal academic grievance process.

Academic Grievance Policy

The academic grievance procedure is displayed in the following flow chart:

Academic Integrity Appeal Process

If a faculty member finds that a student is in possible violation of the academic standards of the Student Code of Conduct (F.4.2.1 <https://www.alamo.edu/siteassets/district/about-us/leadership/board-of-trustees/policies-pdfs/section-f/f.4.2.1-procedure.pdf> 4.2.1-Procedure(3).pdf, “Academic Integrity Violations”), the faculty member shall document the act, completing the Academic Integrity Report Form F.4.2. <https://www.alamo.edu/siteassets/district/about-us/leadership/board-of-trustees/policies-pdfs/section-f/f.4.2-policy.pdf>.

The faculty member shall notify the student and explain the procedures and possible penalties. The faculty member shall provide the student a copy of Procedure F.4.2.1 <https://www.alamo.edu/siteassets/district/about-us/leadership/board-of-trustees/policies-pdfs/section-f/f.4.2.1-procedure.pdf>, and the student will be allowed to explain the incident.

The faculty member shall then meet with the student, at a time arranged between the student and faculty member, to allow the student to explain the incident. The faculty member subsequently may, at his/her discretion, impose any of the following sanctions:

1. Dismiss the charge.
2. Issue a written warning to the student.
3. Reduce the grade on the assignment or test.
4. Reduce the final grade for the class.

Each of the consequences 2 – 4 shall be accompanied by a completed and signed Academic Integrity Report Form. If the student agrees with the faculty member’s decision, the form shall be submitted electronically to the Chief Student Affairs Officer (CSAO) – the Vice President for Student Success at an individual college and the paper copy shall be filed in the department office.

Children on Campus Policy

In order to prevent children from potential safety risks, from damaging expensive equipment, from hazardous areas which, and from interfering with the learning opportunities for all students, the following Alamo Colleges District policy is currently in effect:

Students are urged not to bring children to classes, labs, or other facilities such as libraries. *Minors under the age of 12 must not be left unattended on-campus at any time. Individual instructors may enforce additional restrictions or waivers for their classrooms or labs, which will be included in the course syllabus.*

Distance Learning: Student Privacy

NLC complies with all of the requirements of the Family Educational Rights and Privacy Act (FERPA). We are committed to protecting the privacy of a student’s educational record regardless of delivery method. The Registrar is the point of contact for all FERPA related issues, and all employees are informed and trained of their responsibilities of unauthorized release of confidential records or information. Because an online environment creates a record of student activity, it is subject to FERPA privacy rights, unlike verbal exchanges in a physical classroom.

IDENTITY VERIFICATION IN DISTANCE LEARNING COURSES

Bio-Sig-ID, the identity verification process for online courses, protects student’s privacy through the use of a secure portal, with a secure login and student-selected password. In addition, Northeast Lakeview College uses an enabling technology that is used to verify the identity of online students. For more information on BioSig-ID, please contact your online course instructor. NLC does not require any additional fees or charges for verification of student identity at this time.

FACULTY RESPONSIBILITY

Faculty and staff understand and carry out a commitment to confidentiality, integrity, and security to protect the privacy of students who participate in distance learning activities. Students' records are kept private by the instructor, except in cases where academic staff or administration access the course, with legitimate educational interest under FERPA guidelines.

In order to maintain course security and protect student privacy, faculty do not access or attempt to access another employee's or student's account without authorization as described in the Appropriate Use of Information Technology District Policy C.1.9. <https://www.alamo.edu/siteassets/district/about-us/leadership/board-of-trustees/policies-pdfs/section-c/c.1.9-policy.pdf>

STUDENT RESPONSIBILITY

In order to maintain confidentiality, portal login passwords are generated by the student and any password reset is completed through "secret question" protocol. It is the students' responsibility to keep their password confidential as stated in Student Code of Conduct District Procedure F.4.2.1 and Appropriate Use of Information Technology Resources District Policy C.1.9. Only work submitted to open forums, like discussion boards, can be accessed by other students; other assignments, grades and correspondence are not viewable by other students.

Electronic Devices in the Classroom

Students are required to silence and store (out of sight) all electronic communication devices such as mobile phones, PDAs, etc. when in classrooms, laboratories, libraries, or other areas where such devices would interfere with instruction and learning. Faculty members have the latitude to modify this policy in their syllabi.

Family Educational Rights Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) requires any school that receives federal funds to release or withhold a student's education records in accordance with its rules.

For more information please refer to the College Catalog: <https://www.alamo.edu/about-us/compliance/ferpa/>
